Thanks to everyone who supported the second 12 Car Navigational Rally promoted by MMKMC.

We were blessed with being able to choose a route using the classic rally roads on the Downs north of the A20 and these proved a challenge for the competing cars.

A special thanks to our start and finish venue The Dog and Bear Hotel who looked after us very well, and very special thanks to the Marshals who stood out in the cold and mud.

At least it didn't rain and wasn't icy!

Apologies to the Semi Experts and Novices for any confusion caused by a gap being in the wrong place in one of the map references included to help you plot the section from TC8 to TC9 in the Novice navigation.
